**REVISED**

**NIH MANUAL CHAPTER 1160-1**

**"Entertainment" and New NIH Form 2408-1  
Provided by Joel Papier  
Office of Financial Management, NIH**

NIH Manual Chapter 1160-1 "Entertainment" has just been amended to reflect new NIH policy guidance regarding the use of appropriated funds and gift funds for the provision of entertainment expenses. A part of this new guidance includes a **NEW NIH Form 2408-1 "Request For Use of Appropriated/Gift Funds for Light Refreshments/Meals and Other Entertainment Expenses"**, that must be recorded for each transaction. Specifically, if you are obligating the funds via a SF-44; SF-1034; Purchase Order; IMPAC Purchase Card, Contract, etc., the completed and properly signed **Form 2408-1 MUST** accompany the applicable procurement document and is to be retained in the IC official procurement files. The Form 2408-1 is accessible as Appendix 6 of the Manual Chapter 1160-1.

***Should you have any questions regarding this subject matter, contact Joel Papier on 301-496-4379.***

**SIMPLIFIED ACQUISITIONS  
& DELPRO NOTES**

**UNTIL FURTHER NOTICE, UNICOR IS  
STILL A MANDATORY SOURCE**

Recently, the Purchase Card and DELPRO Helplines within our office have received questions regarding the passage of a recent

bill eliminating the UNICOR waiver process and whether or not UNICOR is still considered a mandatory source.

**Until such time as the Civilian Agency Acquisition Council issues a rule to implement Section 637 of the Omnibus Appropriation Bill and our office receives the FAR change, UNICOR is still a mandatory source, and waivers for items in excess of \$2,500 must still be submitted to [www.unicor.gov](http://www.unicor.gov) . Once our office receives the FAR change, we will issue further guidance to instruct the acquisition community how to proceed.**

The new bill still requires a check of UNICOR pricing and delivery to determine the best value for the government prior to procuring the item from other sources. If UNICOR's product is comparable, then mandatory source procedures will remain applicable and the agency may purchase the item from UNICOR, or request a waiver to procure from another source. If UNICOR's product is not found to be comparable, the agency may implement competitive procurement procedures. UNICOR must be given an opportunity to bid on the contract.

**Please read below the following guidance that we recently have from UNICOR:**

**SECTION 637 of the OMNIBUS  
APPROPRIATIONS BILL**

Early 2004, passage of the Omnibus Appropriations Bill, P.L. 108-199, under Section 637, altered the process by which civilian agencies purchase from FPI during FY2004.

The current applicable provisions for purchasing from UNICOR are outlined in the Federal Acquisition Regulation (FAR) 8.6. However, once the Civilian Agency Acquisition Council (CAAC) issues a rule to implement

Section 637 of the Omnibus Appropriations Bill, FAR 8.6 will be modified to reflect all appropriate changes.

SEC. 637. None of the funds made available under this or any other Act for fiscal year 2004 shall be expended for the purchase of a product or service offered by Federal Prison Industries, Inc., unless the agency making such purchase determines that such offered product or service provides the best value to the buying agency pursuant to government wide procurement regulations, issued pursuant to section 25(c)(1) of the Office of Federal Procurement Act (41 U.S.C. 421(c)(1)) that impose procedures, standards, and limitations of section 2410n of title 10, United States Code.

Some people, in reaction to the Section 637 provision, have surmised that UNICOR's mandatory source has been eliminated; this is an overstatement. Instead, Section 637 alters the decision-making process used to determine whether or not to purchase from UNICOR.

#### **More to the point:**

~ Civilian agencies will be required to conduct market research to determine whether a UNICOR product is comparable in terms of price, quality, and time of delivery to products offered through outside suppliers.

~ if a contracting official determines that UNICOR's product is comparable, then mandatory source procedures will remain applicable. In other words, the agency may purchase the item from UNICOR, or request a waiver to procure from another source.

~ Conversely, if UNICOR's product is not found to be comparable, the purchasing agency may implement competitive procurement procedures. If initiated, however, UNICOR must be given an opportunity to bid on the contract.

#### **WHAT IS A SMALL BUSINESS ?**

Excerpted From - Federal Manager's Daily Report: Tuesday, Dec 2, 2003 [[fedweek@fedweek.com](mailto:fedweek@fedweek.com)]

The Small Business Act states that a small business concern is "one that is independently owned and operated and which is not dominant in its field of operation." The law also states that in determining what constitutes a small business, the definition will vary from industry to industry to reflect industry differences accurately. SBA's **Small Business Size Regulations** -

[http://www.sba.gov/size/part121\\_03-sects.html](http://www.sba.gov/size/part121_03-sects.html) implement the Small Business Act's mandate to SBA. SBA has also established a **Table** - <http://www.sba.gov/size/indexableofsize.html> of size standards, matched to North American Industry Classification System (NAICS) industries.

When the U.S. Congress first established SBA, the fundamental question was just what numerical definition should SBA use to define small businesses, industry by industry, to determine what businesses were eligible for SBA's programs. Over the years SBA has established and revised numerical definitions for all for-profit industries, and this numerical definition is called a "size standard." It is almost always stated either as the number of employees or average annual receipts of a business concern.

In addition to establishing eligibility for SBA programs, all federal agencies must use SBA's size standards for its Federal Government contracts it identifies as a small business. Agencies must also use SBA's size standards for their other programs and regulations, unless they are authorized by Federal statute to use something else.

SBA's **Office of Size Standards** - <http://www.sba.gov/size/> develops and recommends small business size standards to the Size Policy Board and to the Administrator of SBA. These include recommendations on small business definitions that other Federal

agencies propose. Under the Small Business Act, Federal agencies must obtain the approval of the SBA Administrator before adopting a size standard different from SBA's size standard.

The **Office of Government Contracting** - <http://www.sba.gov/GC/> makes formal "size determinations" on whether a business qualifies as an eligible small business for SBA programs.

The **Office of Hearings and Appeals (OHA)** - <http://www.sba.gov/oha/> reviews appeals of formal size determinations.

The Office of General Counsel interprets size standards regulations for the Agency and intervenes in OHA size determination appeal cases if necessary.

The Offices of Size Standards, Government Contracting, and General Counsel coordinate on all size standard issues.

### **LEVEL 1 PACKAGES FOR APRIL**

The next Level 1 Certification Board will meet some time at the end of April, 2004. Please submit your Level 1 Package early to your IC Coordinator so that your IC Coordinator can send your package to Annette Romanesk, 6011 Executive Blvd., Room 547H by April 9, 2004.

### **WHAT'S RECEIVING GOT TO DO WITH IT?**

Provided by Candice Mason

**Remember that slogan? Receiving has plenty to do with everything. Receiving ensures *someone*:**

- (1) completes the acquisition process;
- (2) identifies & labels NIH personal property;  
and
- (3) pays vendors promptly.

It's important to let the IC Property Custodial Officer (PCO) know when new NIH personal

property is received. The IC PCO will collect vital property management information such as, the authorized user, property description, manufacturer, model number, serial number, etc.; assign a NIH barcode number; and enter the information into the NIH Property Management Information System.

Don't know who is your IC PCO? Contact your IC Property Accountability Officer (ICPAO); a listing is available at:

<http://www.olao.od.nih.gov/property/index.html>

Remember, the person who signs as receiving the property is responsible for the property until an authorized user is assigned and may be held liable for loss, damage or destruction of the property. Pass the responsibility to the authorized user as soon as possible.

***The Division of Personal Property Services, Office of Logistics and Acquisition Operations thanks each of you for doing your part in identifying NIH personal property.***

## **GREEN PURCHASING**

The Office of Federal Procurement Policy (OFPP) offers "green purchasing" training to individual agencies upon request. Green Purchasing is buying products that (a) are made with recycled content;(b) are designated as having biobased content; (c) are energy efficient; and (d) incorporate environmentally preferable attributes. The PowerPoint presentation is available on [www.ofee.gov](http://www.ofee.gov), under Green Purchasing. There are also links available to other agencies' green purchasing program under "Related Links."

## **REMINDER! REMINDER!**

### **ACQUISITION REFRESHER COURSES**

We would like to remind you that a Simplified Acquisition Refresher course is available for Ordering and Approving Officials. The one-half day course reviews the changes and updates to the new guide for purchasers who have attended the DATP course prior to 2002. The newly released Delegated Acquisition (DELPRO) Reference Guide will be utilized. However, students should bring their Delegated Acquisition (DELPRO) Reference Guide to the class for reference.

Training Schedules for this and other acquisition courses are available at the end of this newsletter and on the Human Resources Training website:

<http://learningsource.od.nih.gov/>

### **ALSO - COMING SOON!**

A Purchase Card online refresher training is anticipated for release beginning in April. Detailed information will be released shortly!

### **DRUG FREE WORKPLACE CLAUSE**

An acquisition file for a Professional Service Order (PSO) must contain evidence that the individual or vendor has been notified of the required compliance with the provisions of the Drug Free Workplace Act, FAR 23.505. ***This evidence may be either a copy of the Drug-Free Workplace clause 52.223-6, which has been sent to the individual/vendor, included in the file, or a written indication that the drug free clause was given to the individual performing the service.*** While he/she no longer has to

"certify" by signing and returning the clause, there must be some documentation in the file signifying that the clause was provided.

## **PURCHASE CARDS**

### **REVISION OF PURCHASE CARD MANUAL ISSUANCE**

#### **NOTICE TO PURCHASE CARDHOLDERS AND CAOS**

The NIH Manual Chapter 6013-2 Internal Procedures for the Purchase Card (I.M.P.A.C.) Program has been revised/updated and will be available in early 2004. The revisions/updates include but are not limited to the following: 1) The CAO must have the same level of authority as the Cardholder; 2) Retention of records for 3 years; 3) Addition of Dispute Code D11; 4) Radioactive Materials – Entries no longer made into the RAMOS System; 5) Addition of "Reviews" explaining the Purchase Card Review Process; 6) Changes to the "Unauthorized Purchases List".

#### **KNOWLEDGE IS POWER**

(Select the most correct answer to each question)

1. Any time the Purchase Card is used for a purchase, whether it is done over the counter or by telephone, the monthly cumulative purchase log (Record of Purchase Card Orders), must be annotated and retained in a monthly acquisition file.

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

2. When the items are received, the Cardholder **MUST** annotate the receiving information on the shipping document and/or the Record of Purchase Card Orders Log.

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

3. The Administrative Office/IC designee **DOES NOT** need to maintain the official file (inclusive of financial and acquisition data) for each purchase card order.

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

4. NIH **WILL NOT** BE LIABLE for any unauthorized use of the Purchase Card, and the cardholder **MAY** be held negligent and administratively accountable to NIH if the loss is not reported timely.

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

5. All purchase card transaction logs within the Simplified Acquisition Threshold may be destroyed three (3) years after the final payment.

TRUE\_\_\_\_\_ FALSE\_\_\_\_\_

Answers may be found at the end of the newsletter

## **BPA NEWS**

### **PILOT PROGRAM FOR OFFICE SUPPLIES**

The Program Support Center (PSC) DHHS, is conducting a pilot program for the purchase of selected office supplies. They have negotiated BPAs for this period with Office Depot and Corporate Express. For many items these contracts offer deeply discounted prices. NIH is not officially a part of this pilot program; however, NIH purchasing staff is welcome to register with Office Depot and/or Corporate Express to receive these contract prices.

Please be aware that for the duration of the pilot period, you are **NOT REQUIRED** to deal only with these two companies. You may continue to purchase your office supplies from other vendors, such as those found on the BPA and JWOD listings.

**For further information contact the BPA Program Office at 301-496-5212.**

## **DISCOUNT VALIDATION PROCESS CONDUCTED ON BPA VENDORS!**

The Simplified Acquisition Programs Branch is responsible for verifying that BPA vendors are giving the NIH the discount rate(s) that were negotiated on their BPA. The process of verifying that the NIH is receiving the agreed upon negotiated discount(s) from each BPA vendor is called "Discount Validation."

The Discount Validation Process is conducted to determine overcharges for both services and supplies by vendors who are not applying the negotiated NIH discount rates on orders placed against their BPAs. BPA vendors found to be in non-compliance, and who have overcharged the NIH, are accountable for specific overcharges and are held responsible for reimbursement of identified overcharges to the NIH.

Information is obtained by gathering information as entered by the Ordering Officials from the **LPRICE:** and **UPRICE:** fields of the ADB, and comparing the end result with the negotiated discount on the BPA.

### **WE NEED YOUR HELP!**

#### ***THE FOLLOWING PROCEDURE(S) ARE IMPERATIVE TO THE SUCCESS OF THE DISCOUNT VALIDATION PROCESS.***

When placing an order, Ordering Officials **MUST** insure that they are receiving the appropriate **List Price (LPRICE)** and **Unit Price (UPRICE)** which is the **discount price** as agreed upon within the BPA, **and indicate each specific price as required on the DELPRO computer generated order in the LPRICE: and UPRICE: fields.** If no discount is offered, the Ordering Officials **MUST** indicate the **RMKS:** field, "**No Discount Offered.**"

**IT IS IMPERATIVE THAT ORDERING OFFICIALS COMPLETE BOTH THE LPRICE: FIELD (*PRICE CHARGED TO COMMERCIAL CUSTOMERS/GENERAL PUBLIC PRIOR TO ANY DISCOUNTS*) AND UPRICE: FIELD (*THE NET PRICE PAID BY NIH AFTER DISCOUNTS HAVE BEEN TAKEN*) CORRECTLY.**

### **BPAs = GREAT DISCOUNTS = USE YOUR PURCHASE CARD!**

Provided by Cole Stathes

The Simplified Acquisition Programs Branch (SAPB) has established over 800 Blanket Purchase Agreements (BPAs) for use by the NIH community. These accounts cover a wide variety of supplies and services - everything from IT software to office items to scientific equipment to antibody analysis! Entire new commodities, such as temporary help and travel services, have recently been added to the BPA program; and other fields are under consideration.

The great majority of these BPAs have a terrific feature - **their discounts**. SAPB does not want the NIH researchers and support staff to pay list price for anything. So the SAPB members work diligently to obtain as many discounts as possible from our vendors. These special prices may be tied in with Federal Supply Schedule discounts, or they may be negotiated directly with vendors especially for NIH. We also know that many laboratories and offices are only able to order limited quantities of supplies at a time. Therefore, whenever possible, SAPB aims to secure discounted prices even for very small purchases.

An extremely important aspect of BPA Discounts is their applicability to purchase card holders. When a BPA vendor offers discounts to NIH, these discounts are to be honored

whether the NIH buyer uses a purchase card, a record of call, or a purchase order.

**Thus, an NIH purchaser should identify him/herself as making the purchase on behalf of NIH, and then should receive the same prices, discounts, and shipping and delivery terms regardless of the purchase mechanism chosen.**

SAPB, therefore, strongly encourages purchase card holders, and all other NIH buyers, to consider the BPA vendors for their office and laboratory needs. These are vendors typically extending better prices and value to go along with the convenience of the simplified ordering methods.

So, purchasers, wake up and smell the discounts! Enjoy the best of both worlds - the ease of the Purchase Cards and the economy offered by the BPA vendors. The list of BPA vendors can be quickly found on our website at:

### **Purchase Card Processing System**

**Course Number: 2635 (Tuition: \$189)**

---

#### **Description:**

The Purchase Card (credit card) Log can be generated electronically through the ADB! This half-day course introduces electronic Purchase Logs and the reconciliation process with hands-on exercises in the ADB and the Data Warehouse. Students will create and reconcile an electronic Purchase Log in the ADB and create reports using the Data Warehouse. This material is covered in the second half of Purchase Card Training, course #2636.

#### **Key Topics:**

Creating an electronic Purchase Log  
Reconciling Purchase Card Log  
Generating reports using the Data Warehouse

#### **Audience:**

NIH Purchase Card holders who wish to create and reconcile electronic Purchase Logs. THOSE WHO HAVE TAKEN COURSE #2636, PURCHASE CARD TRAINING, SINCE JANUARY 2002 HAVE ALREADY HAD THIS CLASS.

### Delegated Acquisition Training Program

**Course Number: 2603 (Tuition: \$784)**

-----

#### Description:

This 4-day course is specifically tailored for the NIH environment, consisting of Simplified Acquisition procedures in a lecture format and hands-on exercises with DELPRO and the ADB. Basic acquisition concepts are introduced and discussed as they relate to purchasing procedures at NIH. In addition to defining responsibilities and purchasing requirements, students will access DELPRO through the Administrative Data Base (ADB) and implement DELPRO functions to add orders, change, receive, print and review orders, and track order status.

#### Key Topics:

Responsibilities of ordering and approving officials  
Required sources and mechanisms for purchasing goods and services at NIH  
Acquisition documentation requirements  
Ordering procedures

#### Audience:

All NIH DELPRO Approving and Ordering Officials are required to attend.

## Professional Service Orders

Course Number: 2612 (Tuition: \$245)

---

### Description:

Learn how FAR, HHS, and NIH regulations and procedures apply to Professional Service Orders (PSO).

### Key Topics:

Identifying and becoming familiar with the applicable regulations and NIH policy and guidance on PSOs

Identifying and understanding the limitations as well as the allowable services and applicable requirements in determining the appropriate PSO mechanism (e.g. Honorarium versus Fee for Service)

Understanding and evaluating the required three line item format

Understanding and developing appropriate statements of work (SOW)

Understanding the documentation requirements for PSOs above and below the \$2,500 micro-purchase threshold

### Audience:

Anyone engaged in simplified acquisition. All NIH DELPRO Approving and Ordering Officials are required to attend.
